When we first hear or read some stories from the Bible, it is easy to think we understand how great - how wise – how powerful God is. The Bible has many names for God, and each one tells us some more about God.

The Collage above is an arrangement of just 13 of His names. There are many more! Sometimes at Christmas you will see an arrangement like this with some of the names of God, or Jesus. They might be on a Christmas card, or on a wall display.

You can cut out the names and glue them on a piece of paper to create a collage of your own. You might want to put it on a card for someone special, or put it on your wall, to remind yourself , and others, how wonderful our God is!
