

# KID'S CORNER

Make a Nativity scene or Creche for your desk. When everyone who wants to in your home has read the pages on the other side, paste this sheet on some cardboard. The sides of a cereal box will do. If you wish, you can add some colours, then cut out these five pieces. Fold back the tabs at the sides of each figure cutout, and it is ready to stand.

MERRY CHRISTMAS  
from Penny and all the  
Mailbox Club  
correctors!
